Achieveing The Dream

MISSION STATEMENT

The mission of I.C. Norcom High School is to provide an educational environment in which all students acquire a strong academic background and essential life skills needed to succeed in a technology-driven world. We seek the combined efforts and support of staff, students, parents and community.

We have come from greatness; a tradition of strength, a foundation lain upon the backs of those who came before us. This has given us the will to be, rather than to seem.

We are destined to be great; overcoming our fears one step at a time. We are visionaries--deemed leaders of tomorrow. We are continuously striving for excellence, and learning from our past. For we shall never stop achieving the dream.

Through the Years

By Syreeta Lee '01

From the day we were born
and learning how to crawl;
To the day we got the courage
to get up and stand tall,
Our mothers holding our hands walking us
to our kindergarten class;
When we begin to think back
How quickly it's come to pass
To our first day in Middle School
Beginning to feel more grown
Making wise decisions,
and figuring things out on our own.
Our freshman year in High School
feeling that Norcom spirit
so strong and so bold
Other schools begin to fear it.
We've learned to work hard
and strive for our goals
Feelings that Norcom Pride
in our mind, body, and soul.

You must crawl...

This is a lesson that is often taught by parents and others. To "achieve" you must often work from the bottom up.

Before you walk.

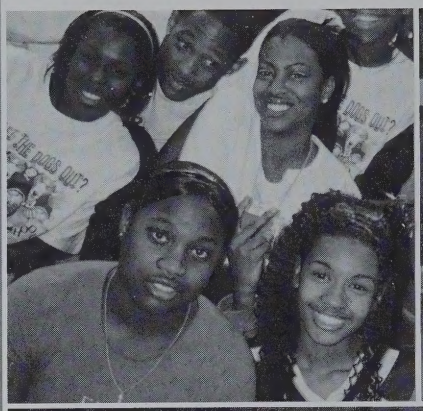
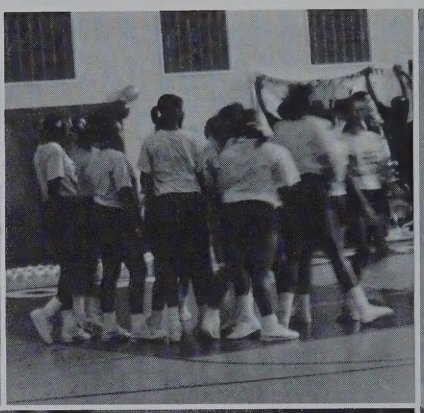
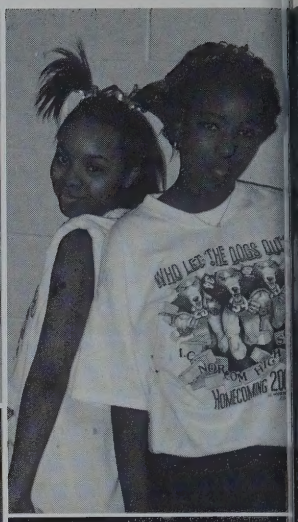
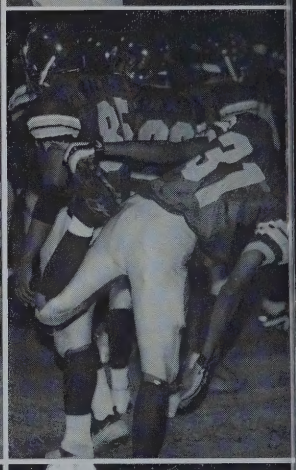
How do you show your School Spirit?

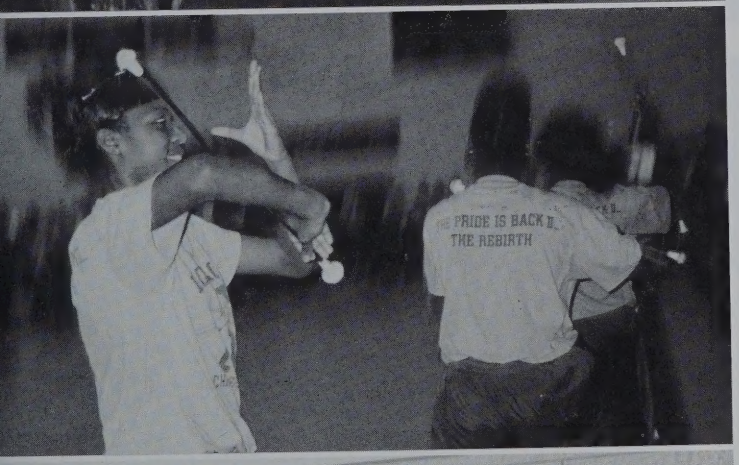
Get involved!!! Go to games and participate in Spirit Week. Wearing school colors really shows school pride.











Feel the Spirit

The Class of 2001, is the last generation to have seen the "Old Norcom," a place brimming with Greyhound Pride, a strong sense of community, and a legacy of Heart tradition. Some students have in their possession pieces of history: a doorknob, bricks, and shards of glass; these things are but small treasures--they are what helps students to remember where they have come from.

No one wants to forget the aged, old Norcom on Turnpike Boulevard. While that building was ripping at the seams, it was a place where students enjoyed learning. It was a place where students were transformed; from boys and girls, to upstanding young gentlemen and young ladies, a place where students acquired a sense of self worth, dignity, and respect.

Admist a new building powered by sophisticated technology, it is easy for a student to loose heart, to lose the Heart tradition. It is the responsibility of the Class of 2001 to teach those who follow them that self worth, dignity, and respect, begins on the inside. Despite the demolition of the "Old Norcom," and the resurrection of the new one, what has been taught to students in years past about pride, respect, and dignity will merely be reinforcements of what they already knew: Greyhound Pride begins in the heart.

Within every student is the ability to be a great leader. I.C. Norcom High School, old or new, will be a place that many students may attribute at least part of their success to.

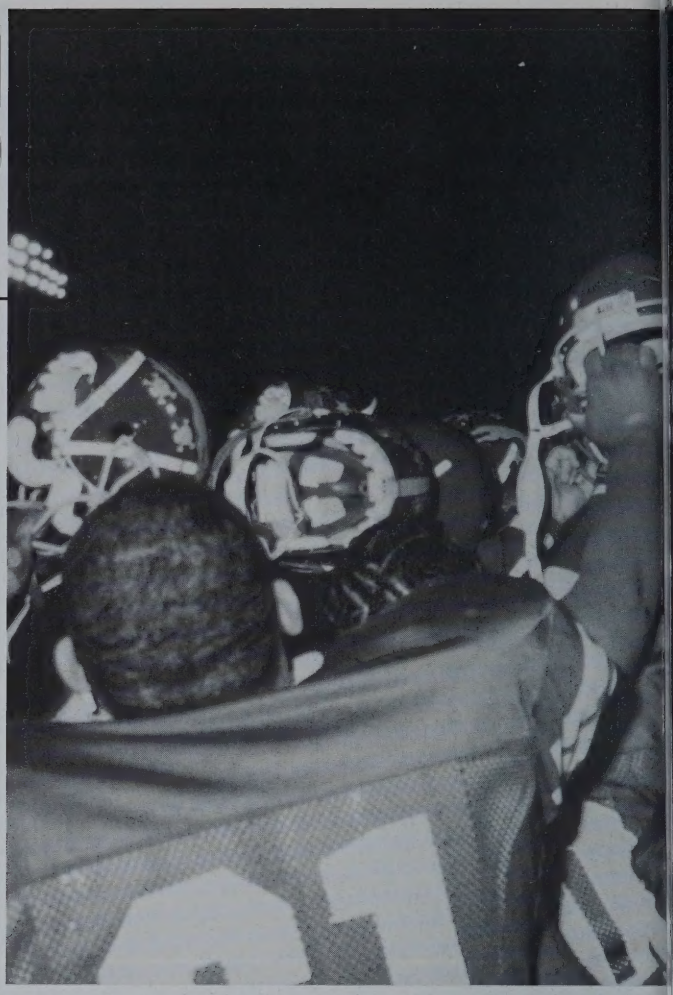
HOMECOMING 2000

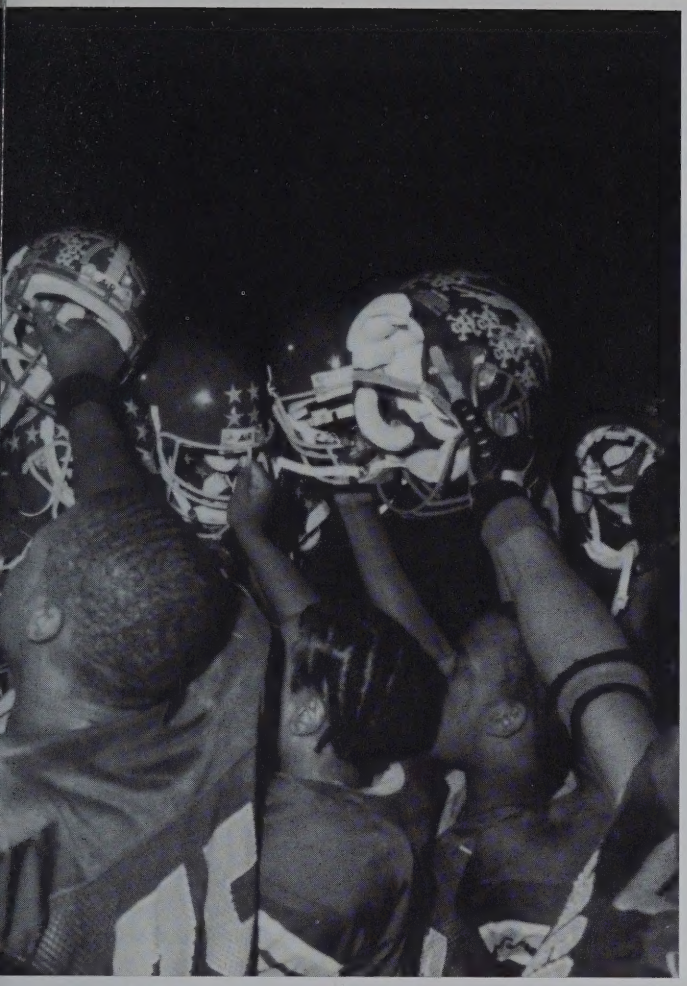
Playoff dreams are a little closer as Coach Langston seeks his 200th win.



A CHAMPION'S SMILE!!!
Coach Langston shares his emotions as he embraces the ball that gave him his well-earned 200th victory. Congratulations Coach!

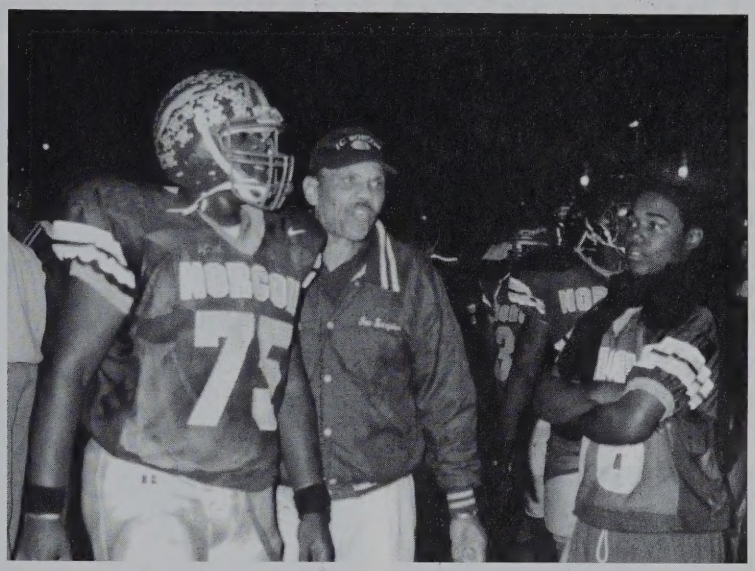
TOGETHER WE STAND...
Is what is shown by the football team as they do the traditional locking of the hands. This shows how true GREYHOUNDS stick together.

DOWN, SET, HUT!
Our quarterback Michael Bremby is ready to receive the ball from center Joshua Cooper.



WHO LET THE DOGS OUT?
The Greyhounds shout for joy as they celebrate their victory over the Granby Comets 17-0.

WORDS FROM THE WISE ONE.
Coach Langston gives Amahd Thomas a pep talk as he rests from making a big play.



Coming Home to the Best

A school of joy, dignity, and pride
Filled with spirit you can't possibly hide.
So coming home is always fun;
To watch Greyhounds do what you've already done.
It's always good to come home to a place
that has never failed to put a smile on your face.
Maroon and gray poms-poms swinging in the air,
moments like this, you'll forever share.
The football team playing with all their might,
As cheerlearders route with smiles of delight
Coming home to the place you can't help but miss
Getting caught up in the spirit, beginning to reminisce.
Acknowledging Mr. and Mrs. and King and Queen
To finish it off, the Alma Mater we'll sing
There is no school that could possibly contest
Because Homecoming to Norcom is coming home to the best!
Syreeta Lee '01

RUN, FREEMAN, RUN!!!
David Freeman shows his skills as he blows by Granby's defense, to score a touchdown.

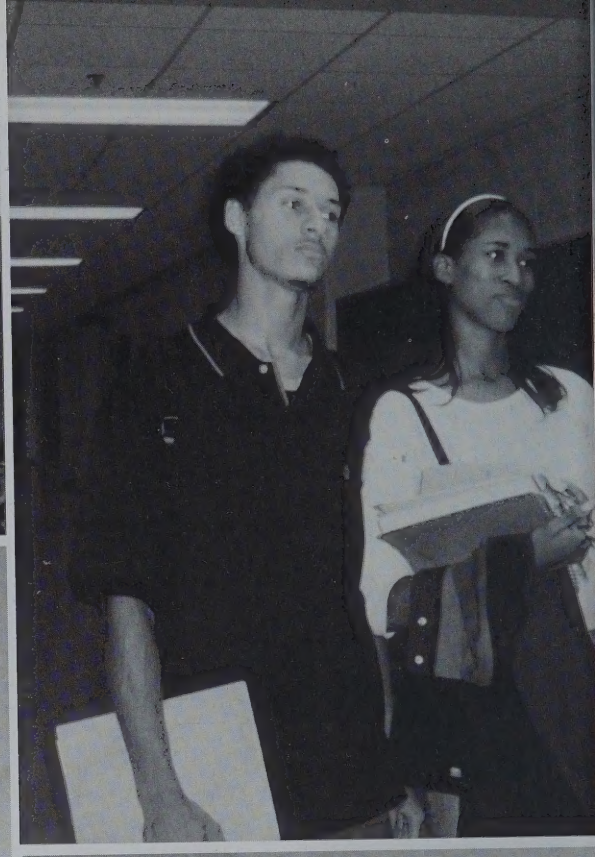
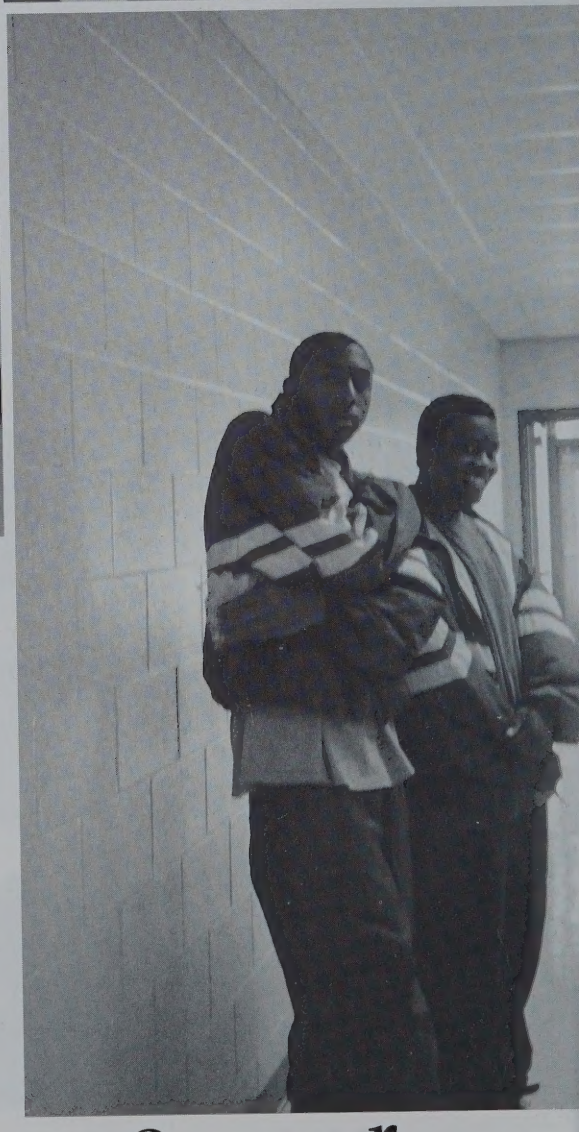
or Brandon Thomas displays his artistic ability through this depiction of the hall of I.C. Norcom.

J u n i o r s





From the first day we walked through the doors of the new I. C. Norcom as freshmen, we all shared a single dream. For three years we have watched other classes walk across the stage in cap and gown and receive their diplomas. Next year we, the class of 2002, will join the elite group of Norcom Alumni. We have accomplished a lot in the past twelve years, worked long and hard to make it this far, but our journey is not over yet. Together we will experience many more challenges in the year to come. In spite of it all, we must keep in mind "our" dream, graduating.

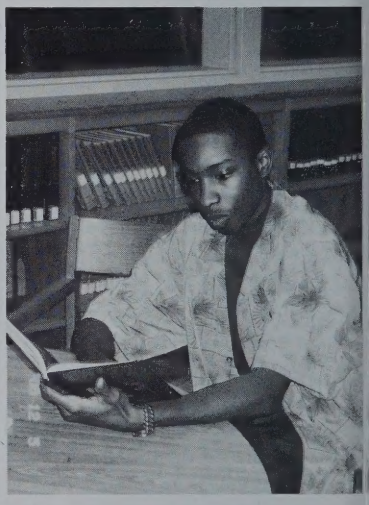
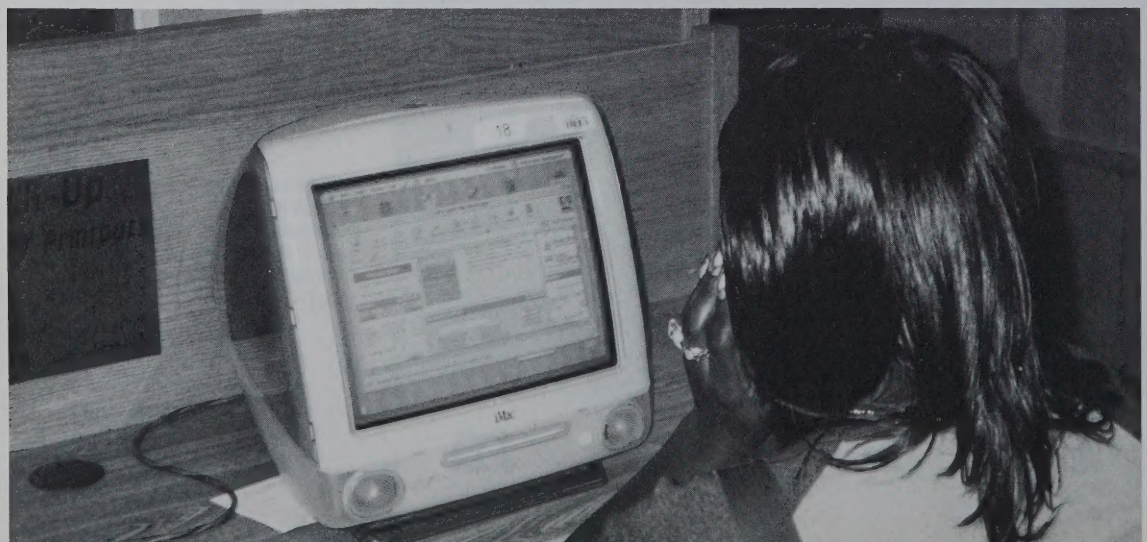
Student Life

A Greyhound's day is never done, students are hard at work after hours

These seniors know what it takes to be successful. Studying hard is the key to the world.

Having locker troubles? Kevina smiles as she redoes the combination to open her state-of-the-art locker.



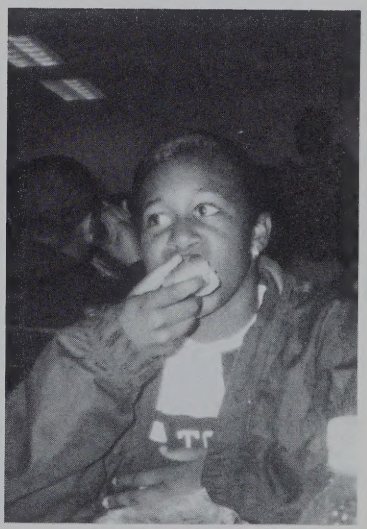


William Epperson reads up a little after school. He knows that reading is fundamental.

Virginia Tech, William and Mary, Norfolk State maybe? Millie Hill is looking for the college of her choice. Happy Hunting!

On the phone between class, this young lady talks to family on the outside.

Curly Perms? Are In?--Since When? This young man sports a perm, showing his Norcom Pride during spirit week.



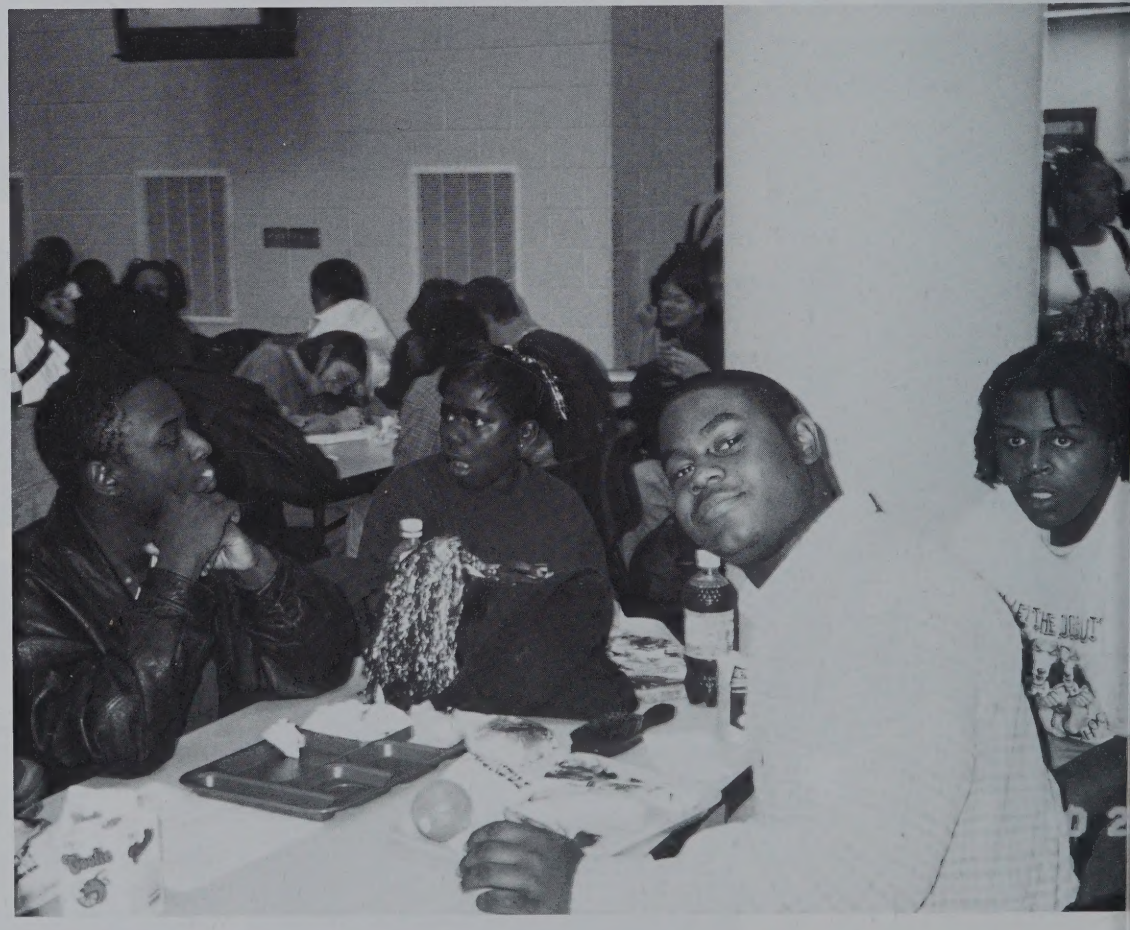
Breakfast is the most important meal... This young lady gets her brain food to start her day off the right way.

Is your mom coming to get us? These ladies wait on a ride after their extra-curricular activities.

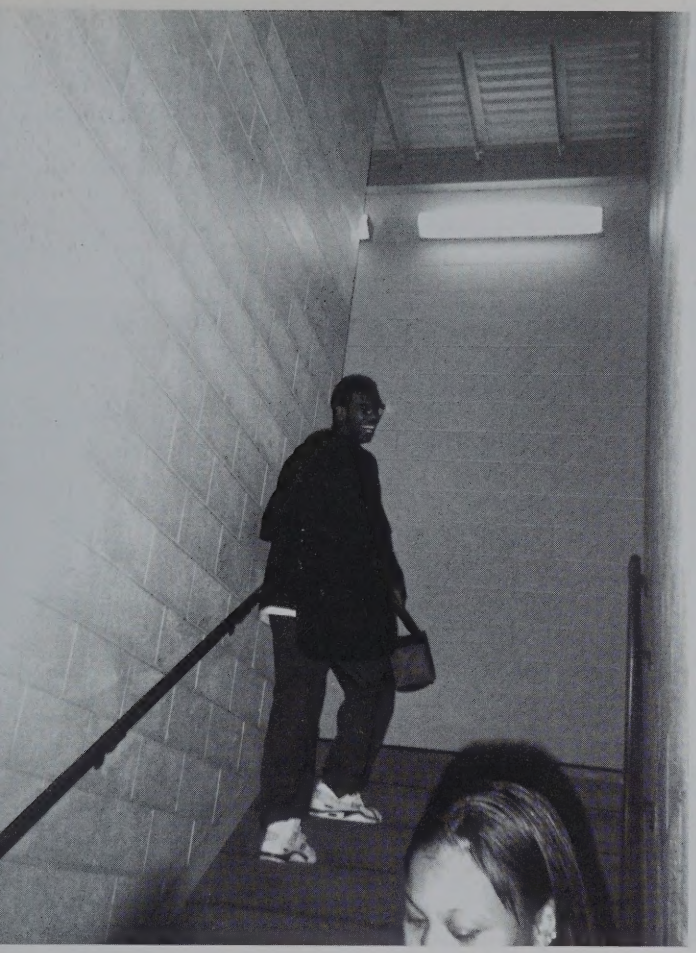
Just can't hide my pride.
This marching band lady Greyhound is Maroon and Grey from head to toe.

Catching up on the latest gossip.
These greyhounds take time out from the rigorous academics of Norcom HS to talk about school happenings.

I'll Carry on the Greyhound Pride
This young man is getting an early start on Norcom spirit!

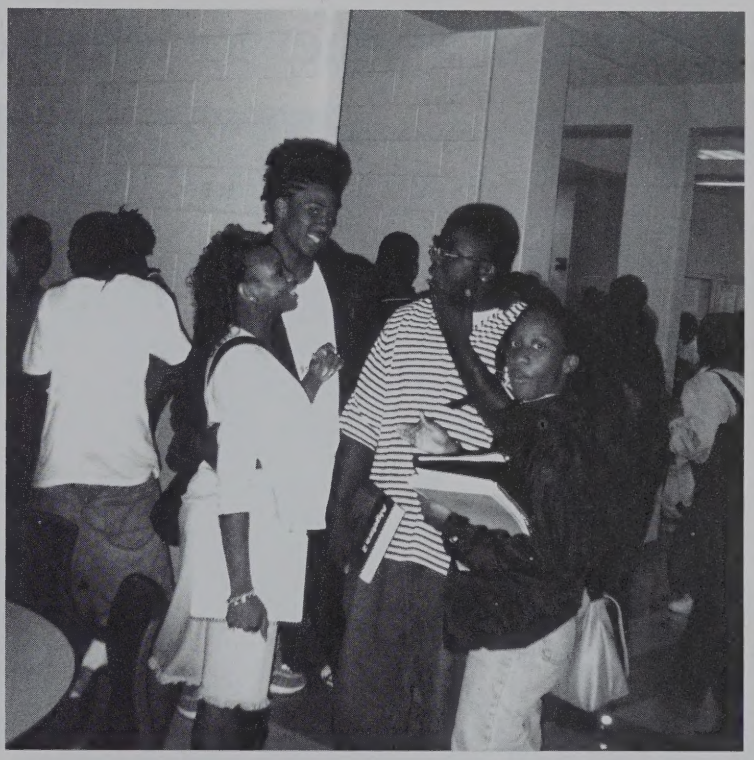


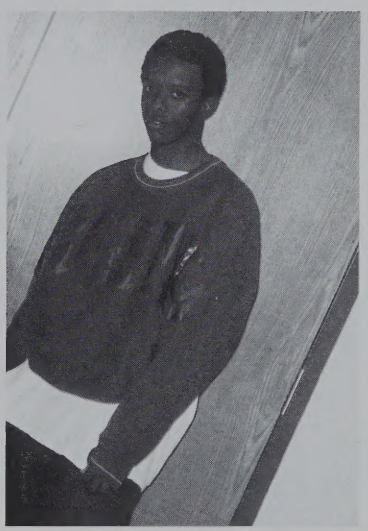
Did you call me?
Eugene turns to see who spoke his name.



Climbing the stairs to success, this young man makes his way to class before his class starts.

This circle of friends gather before the start o f school to talk.





Taking time to chill between classes. This student poses outside of the auditorium.

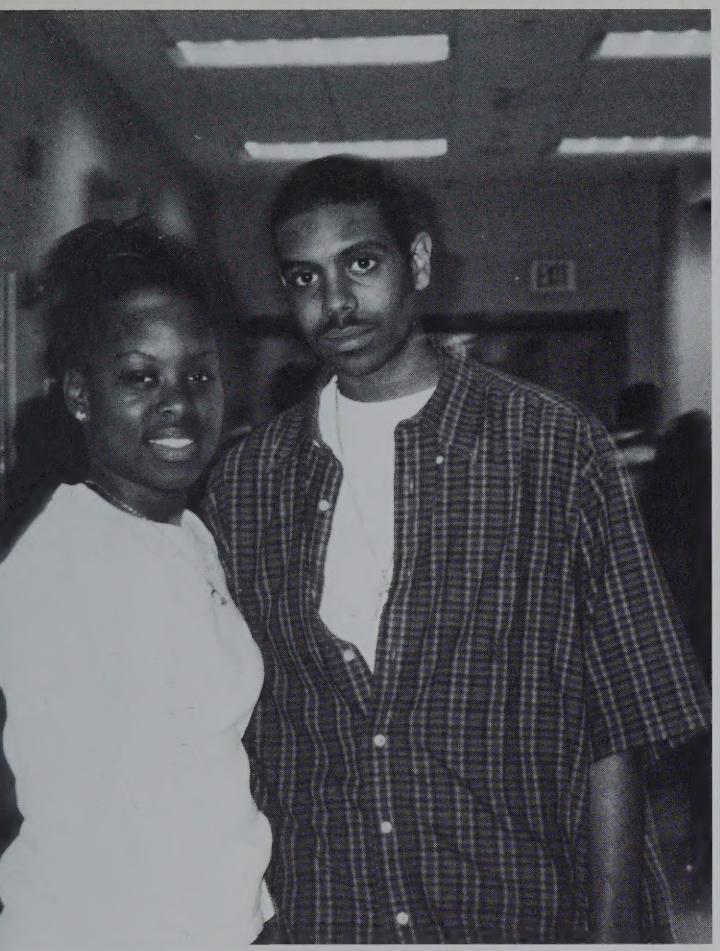
Twins in da house!
Jeff and Jeremy are two brothers that mirror one another.



All Smiles!
Maria and Marquis are flossing in the cafeteria.

A FAMILY TRADITION

BY RAYNA TERRY
CLASS OF 2001

Walking through the halls you see students saying to others,"Look! That's my cousin. And that's my sister. They graduated years ago. "Many notice that generations and generations of their family lived with the indescribable I.C. Norcom pride. A generaous pride that you could not quite understand without living it.

Even today there are brothers, sisters, and cousins graduating together. They are anxiously awaiting the enrollment of younger family members to continue the tradition. But when they actually get here,they realize that they are one big happy family. A love is forever growing and never ending, to be cherished for many years to come.

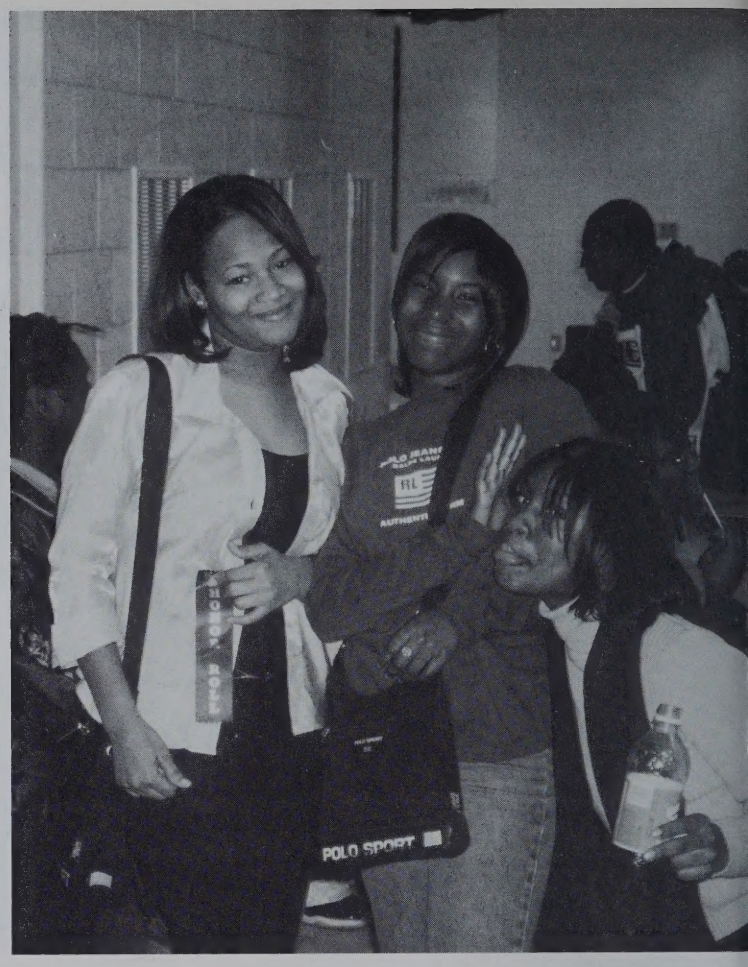
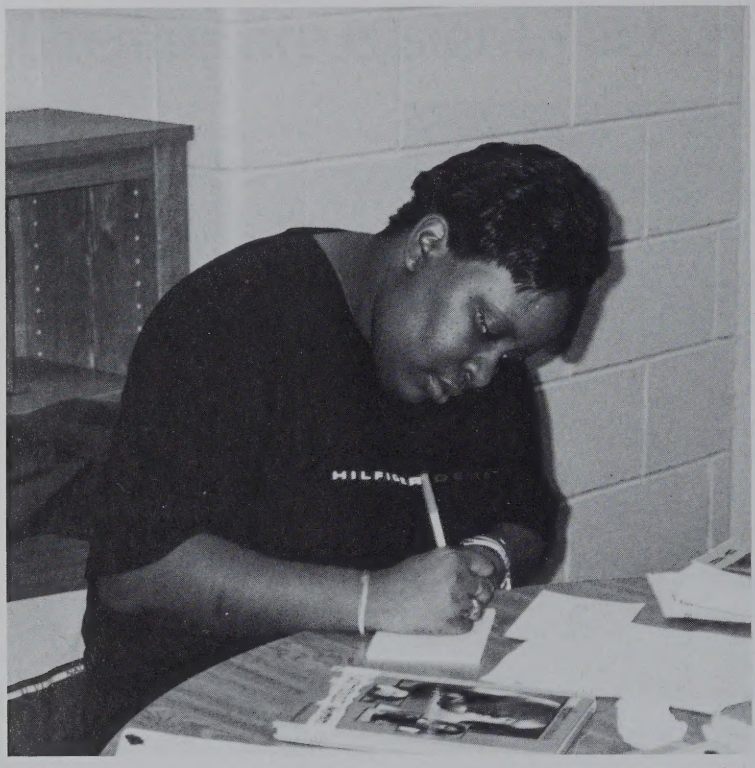
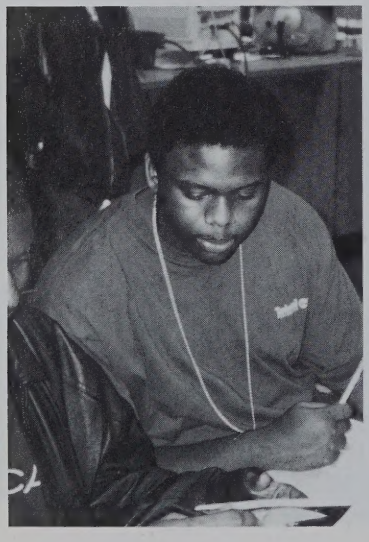
I got your back, cuz!
Eshadia Rogers and her cousin stick together, that's what Norcom pride is all about.

Dominic, Keosha, and Tanell show Honor Roll status. This is a big achievement conquered by our Greyhounds. Good job ladies!



Sherese is working hard on writing notecards for her term paper. I feel an A coming on.



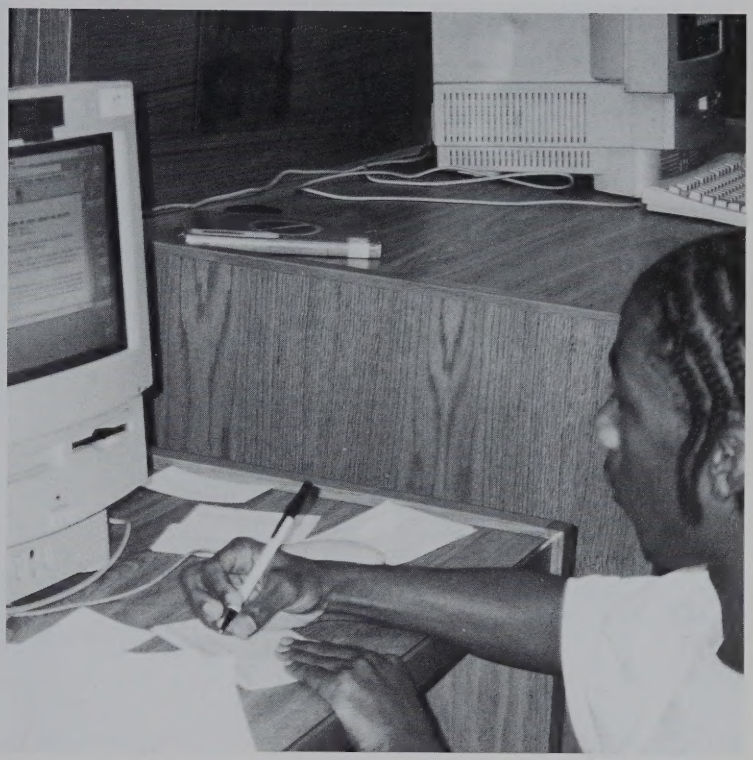


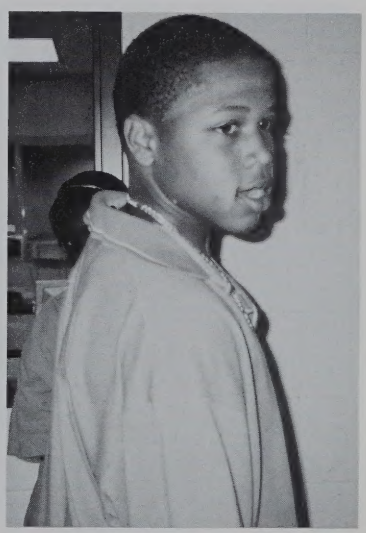
Sonya uses our multimedia center as one of her sources.

We're outta here! When the clock strikes two, these students walk to the bus to go home. See ya tomorrow.

Let's get this party started---On Time PLEASE!!!
Norcom students await the start of the Pep Rally.

Working hard for an A.
This Norcom student does research for a paper.





Taking time to chill between classes. This young man talks with a friend.

" A Smile"

A smile cost nothing but gives much.
It takes but a moment,
but the memory of it usually lasts
forever.
None are so rich that can get along
without it.
It enriches those who receive,
without making poor those who give.
It creates sunshine in the home,
Fosters good will in business
And is the best antidote for trouble--
And yet it cannot be begged,
borrowed,or stolen, for it is of no
value unless it is freely given away.
Some people are too busy to give
you a smile--
Give them one of yours--
As he or she who has no more smile
left to give.

Your Dad and Mom
